Comments are requested concerning: (a) whether the proposed collection(s) of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection(s) of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) Control Number. Needs and Uses:

The Commission seeks to revise OMB 3060-0806 to conform this information collection to changes implemented in the *Second E-Rate Modernization Order* (WC Docket No. 13-184, FCC 14-189; 80 FR 5961, February 4, 2015). Collection of the information on FCC Forms 470 and 471 is necessary so that the Commission and the Universal Service Administrative Company (USAC) have sufficient information to determine if entities are eligible for funding pursuant to the schools and libraries support mechanism, to determine if entities are complying with the Commission's rules, and to prevent waste, fraud, and abuse. In addition, the information is necessary for the Commission to evaluate the extent to which the E-rate program is meeting the statutory objectives specified in section 254(h) of the 1996 Act, and the Commission's own performance goals established in the *E-rate Modernization Order* and *Second E-rate Modernization Order*. This information collection, as described in more detail below, is being revised to modify FCC Form 470 pursuant to program and rule changes in the *Second E-rate Modernization Order* and to accommodate USAC's new online portal as well as the requirement that all FCC Forms 470 be electronically filed. The FCC Form 470, which is used to seek competitive bids on eligible services from

service providers, must be available to applicants on July 1 (or very soon thereafter) to ensure schools and libraries can take full advantage of the Commission's reforms in funding year 2016. This revision does not propose changes to the FCC Form 471.
